Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

PULUZ Motorcycle Mount for Action Cameras (PU3211)

User Manual

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards.

Safety Instructions for Use.

Please read and follow the safety instructions provided in this manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged), discontinue use and secure the product to prevent further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation or safety of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office or another specialist.

Reliable Design

You don't have to worry about shocks or vibrations while riding! With a load capacity of up to 5 kg, the PULUZ mount will provide the necessary stability for every shot. Additionally, the rubber insert located inside the mount head increases friction, ensuring even greater stabilization of the device, even when riding on uneven terrain.
