Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Protective Expansion Adapter PULUZ for OSMO Pocket 3

Description

Discover the protective adapter for Osmo Pocket 3, which combines durability, ease of use, and versatility. Made from durable ABS material, it not only protects the device from mechanical damage but also offers easy assembly and disassembly. With two cold shoe mounts and a ¼-inch screw hole, your camera becomes compatible with various accessories such as additional lighting or microphones. Moreover, it also allows adaptation to tripods, mounts, and selfie sticks. It is designed to transform into various forms of mounts, thereby increasing functionality and customization to meet your needs.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not subject the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), stop using it and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
