Magnetic Mount PULUZ for Insta360 Ace / Ace Pro (PU965B)

Description

The PULUZ PU965B magnetic mount is the ideal solution for those who value stability and comfort while recording. The accessory provides the necessary stability even during the most dynamic shots, eliminating any vibrations and shocks during filming. The innovative design with a magnetic base allows for quick and easy attachment of the camera, and its removal will not pose any problem for you – simply press the release buttons on both ends simultaneously to quickly and efficiently detach your camera.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Usage Guidelines

You must read and follow the safety guidelines contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.

7. If you have any questions that are not answered in this manual, please contact our customer service (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
