Puluz · EAN 5906168433689

Machine translation from Deutsch. In case of doubt the manufacturer's original document prevails.

## Operating Manual

### Puluz

### Puluz Waterproof Housing for Insta360 Ace Pro Camera

#### Description

The Puluz waterproof housing is the ideal tool for exploring the underwater world. With it, you can freely capture unforgettable underwater adventures without worrying about damaging the camera. It not only protects the camera from water but also from dust, fingerprints, and scratches, ensuring a clear and sharp image even in difficult conditions. Additionally, it features a cold shoe mount for attaching extra accessories, such as lighting.

#### Intended Use

For safety and approval reasons, the device must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged.

Furthermore, improper use may pose hazards. Please read the operating manual carefully and keep it for future reference.

#### Safety Instructions for Use

Read and follow the safety instructions in the manual.

1. The product is not a toy. It should be kept out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical stress.
4. If safe operation is no longer possible (the product is defective, not functioning properly), stop using it and secure the product before reuse.
5. The product should be handled with care. Impacts, blows, or dropping the device can cause damage.
6. If you have doubts about the operation, safety, or connection of the product, please consult a qualified professional.
7. If you have questions that are not answered in this manual, please contact our customer

service (Email: [hurt@innpro.pl](mailto:hurt@innpro.pl), Website: <https://innpro.pl/>) or another specialist.
