

Metal selfie stick PULUZ 150 cm for Insta360 One RS / X2 / X3 / X4 / X5

Puluz · EAN 5906168435461

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Metal Selfie Stick Puluz 150 cm for Insta360 One RS / X2 / X3 / X4

Description

Ensure versatility and convenience while recording with the metal selfie stick from PULUZ. This durable and lightweight selfie stick, made of aluminum alloy, is ideal for action cameras and panoramic cameras, such as Insta360 and GoPro. It offers 5-step length adjustment and is very comfortable to use.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Read the user manual carefully and keep it for future reference.

Safety Tips for Use

Read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), stop using it and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
