Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

PULUZ Optical Glass Lens Cover for Insta360 X4

Description

Ensure reliable protection for your camera with the PULUZ optical glass cover. Designed for durability and excellent image quality – it provides complete lens protection while minimizing the risk of damage and scratches. The accessory also features a perfect fit for the Insta360 X4 model and is very easy to install.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Read the user manual carefully and keep it for future reference.

Safety Usage Guidelines

Read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
