

Tempered Glass PULUZ for Insta360 X4 / X5

Puluz · EAN 5906168435515

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

PULUZ Tempered Glass for Insta360 X4

Description

Take care of your equipment's safety with PULUZ tempered glass, designed specifically for the Insta360 X4 camera. This unique solution offers comprehensive protection while ensuring excellent image quality. With this, you can be confident that your device is safe regardless of the conditions.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Usage Guidelines

You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
