Puluz · EAN 5906168436925

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Puluz

For Insta360 Ace Pro / Ace PULUZ High-Density Foam Windshield (Black)

Description

1. Ideal for reducing wind noise while recording high-speed activities or in windy environments.
2. Protects the camera body from scratches, fingerprints, dirt, etc.
3. Excellent cutout allows easy access to all functional ports and buttons, battery compartment, memory card, lens, etc.
4. Thin, durable, washable, protective, and fitted.
5. Made from environmentally friendly high-density foam that has great elasticity and is resistant to deformation.
6. Specifically designed for use with the Insta360 Ace Pro / Ace camera.

Intended Use

The device is intended for indoor use only. Using it outdoors is not permitted. It is essential to avoid contact with moisture, for example in bathrooms, etc. For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Usage Guidelines

Please read and follow the safety guidelines contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly),

discontinue use and secure the product against reuse.

5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.

6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.

7. If there are any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
