

PC lens cover PULUZ for Insta360 X4

Puluz · EAN 5906168436963

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Puluz

For Insta360 X4 PULUZ Rotating Lens Cover PC (Transparent)

Description

1. Made from corrosion-resistant Bayer Germany PC material, this lens cover is scratch, drop, and dust resistant, effectively protecting the camera lens from everyday impacts and scratches.
2. The cover material is coated with an anti-reflective layer, achieving light transmittance of over 95%, significantly preserving image quality.
3. Once the lens cover is installed, the camera retains a wide field of view and is compatible with the original stitching algorithm, accurately reproducing the rich colors captured by the lens.
4. The removable twist-lock design makes installation and removal more convenient.
5. This lens cover can be used simultaneously with metal frames available on the market.
6. Compatible model: Suitable for Insta360 X4.

Reminder: "Lens Cover Mode" must be enabled on the camera after installing the lens cover and disabled after removing the lens cover.

Intended Use

The device is intended for indoor use only. Using it outdoors is not permitted. It is essential to avoid contact with moisture, such as in bathrooms, etc.

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Usage Guidelines

Please read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.

3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If there are any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
