Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Brand: Puluz

Silicone Case with Strap PULUZ for DJI OSMO Pocket 3

Description

This premium accessory set includes a durable case and touchscreen protector, providing complete protection for your device. Designed for long-lasting use, the durable cover effectively shields your camera from dust, stains, and scratches. Easy to install and remove, the cover is also washable, making maintenance a breeze. Ideal for photographers and outdoor enthusiasts, this protective cover is an excellent choice to keep your DJI OSMO Pocket 3 in pristine condition.

Intended Use

It is intended for indoor use only. Using the device outdoors is not allowed. Contact with moisture, such as in a bathroom, must be unconditionally avoided. For safety and certification reasons, the device must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged. In addition, improper use may pose hazards. Read the user manual carefully and keep it for future reference.

Safety Guidelines for Use

Read and follow the safety guidelines contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), stop using it and secure the product to prevent further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
