Silicone base for Insta360 X4 PULUZ

Description

Introducing the Insta360 X4 silicone base, the perfect companion for your Insta360 X4 camera. This high-quality silicone base ensures that your desk remains scratch-free while protecting the camera from lens and body damage. Made entirely from the highest quality silicone, it offers a skin-friendly and gentle touch, exuding a luxurious feel. The ample surface area of the base allows for secure placement of the camera, eliminating the risk of it tipping over. Additionally, keeping it clean is extremely simple – just wipe it down or wash it with water. Elevate your desk video recording experience with this versatile and durable silicone base.

Intended use

It is intended for indoor use only. Using the device outdoors is not permitted. Contact with moisture, e.g., in the bathroom, etc., must be strictly avoided. For safety and certification reasons, the device must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged. Furthermore, improper use may pose hazards. Read the user manual carefully and keep it for future reference.

Safety usage instructions

Read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product from reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.

Specifications:

Compatible with: Insta360: X4

Weight: 0.04 kg

Size: 9 cm * 8 cm * 2 cm

Manufacturer: Shenzhen SUNSKY Technology Limited

Address: 8/F, No.614 Building, Bagua 1st Road, Futian District, Shenzhen

ENVIRONMENTAL PROTECTION

Waste electrical and electronic equipment marked in accordance with the European Union

directive must not be placed together with other municipal waste. It is subject to separate collection and recycling at designated points. By ensuring its proper disposal,

you prevent potential negative consequences for the natural environment and human health. The waste collection system complies with local environmental protection regulations regarding waste disposal. Detailed information on this can be obtained from

the municipal office, waste management facility, or the store where the product was purchased.

The product meets the requirements of the so-called New Approach directives of the

European Union (EU) concerning safety, health protection, and environmental protection,

which identify hazards that should be detected and eliminated.
