PULUZ Motorcycle Mount for Front Windshield for GoPro Hero12

Black / DJI Osmo Action 4 / Insta360 X4 / Ace Pro and other cameras

Description

Our motorcycle camera mount, made from high-quality aluminum alloy machined through CNC process, is sturdy, durable, and stylish. Compact and portable, with a quick-release mechanism, it ensures easy installation and removal. The thickened silicone layer protects the motorcycle's windshield from damage, providing stability and safety. The clip with a 1/4-inch screw hole allows for connecting a magic arm for higher shots. Ideal for first-person perspective filming and live streaming. The clip is made of aluminum alloy, while the movable base and screws are made of ABS plastic.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product.

Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Usage Guidelines

Read and follow the safety guidelines contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.

4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.

Manufacturer: Shenzhen SUNSKY Technology Limited

Address: 8/F, No.614 Building, Bagua 1st Road, Futian District, Shenzhen

ENVIRONMENTAL PROTECTION

Used electronic equipment marked in accordance with the European Union directive must not be disposed of together with other municipal waste. It is subject to selective collection and recycling at designated points. By ensuring its proper disposal, you prevent potential negative consequences for the natural environment and human health. The collection system for used equipment complies with locally applicable environmental protection regulations regarding waste disposal.

Detailed information on this matter can be obtained from the municipal office, cleaning facility, or the store where the product was purchased.

The product meets the requirements of the so-called New Approach directives of the European Union (EU) concerning issues related to safety of use, health protection, and environmental protection, identifying hazards that should be detected and eliminated.
