User Manual

PULUZ Case for DJI Osmo Action 4/3 (black)

Description

1. Storage function: Characterized by shock resistance, waterproofing, and dustproofing, as well as a semi-open design.
2. Solid protection: Resistant to drops and pressure, the hard layer uses EVA material to reduce the impact of compression and falls.
3. Precise molding: Custom-fitted design with a reserved space for the lens, effectively protecting the lens area.
4. Semi-open zipper: Can be opened without removing the tripod or other accessories.
5. External PU layer: Resistant to rain and dust.
6. Compatibility: Can be used with both bare devices and devices with installed cages.
7. Soft scratch protection: The inner lining made of velvet prevents scratches on the lens and screen.
8. Portable: Small, convenient, and lightweight for easy travel.
9. Suitable models: Suitable for DJI Osmo Action 4 / 3.
10. Materials: Made of PU, EVA, and velvet fabric.

Intended Use

The device is intended for indoor use only. Using it outdoors is not permitted. It is essential to avoid contact with moisture, such as in bathrooms, etc.

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Read the user manual carefully and keep it for future reference.

Safety Usage Tips

Read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.

2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If there are any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.

Compatible with: DJI: Osmo Action 4, Osmo Action 3

Manufacturer: Shenzhen SUNSKY Technology Limited

Address: 8/F, No.614 Building, Bagua 1st Road, Futian District, Shenzhen

ENVIRONMENTAL PROTECTION

Waste electrical and electronic equipment marked in accordance with the European Union directive must not be disposed of together with other municipal waste. It is subject to selective collection and recycling at designated points. By ensuring its proper disposal, you prevent potential negative consequences for the natural environment and human health.

The waste collection system complies with locally applicable environmental protection regulations regarding waste disposal. Detailed information on this can be obtained from the municipal office, cleaning facility, or the store where the product was purchased.

The product meets the requirements of the so-called New Approach directives of the European Union (EU) concerning safety, health protection, and environmental protection, identifying hazards that should be detected and eliminated.
