7. Can store the Pocket 3 host, Pocket 3 case, 1/4 thread mount, data cable, battery, wrist strap, memory card, etc.

Intended Use

The device is intended for indoor use only. Using it outdoors is not allowed. It is essential to avoid contact with moisture, such as in a bathroom, etc.

For safety and certification reasons, the device must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged.

Additionally, improper use may pose hazards. Read the user manual carefully and keep it for future reference.

Safety Usage Tips

Read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.

6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.

7. If there are any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
