Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

PULUZ Case for Insta360 GO 3 / GO 3S (Black)

Description

1. Made of high-quality, durable, shock-resistant EVA material with carbon fiber.
2. Small size, lightweight.
3. A cute and practical gift for yourself or friends and family.
4. Features a zipper that can be opened and closed, convenient and easy.
5. Decompression and wear resistance effectively protects the camera.
6. Designed for Insta360 GO 3 and other cameras of the same size.

Intended Use

The device is intended for indoor use only.

Using it outdoors is not allowed. It is essential to avoid contact with moisture, such as in the bathroom, etc.

For safety and certification reasons, the device must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged.

Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Usage Tips

Please read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product from reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.

6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.

7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
