

User manual

Brand: Puluz

## PULUZ motorcycle/bicycle mount with two clamps and a 150 cm selfie stick

### Description

Introducing the perfect accessory to capture your adventures: a versatile 360-degree panoramic camera mount. Perfectly designed for Insta360 X4 cameras and other action cameras, this mount is ideal for motorcycle riding and capturing stunning panoramic shots. High-quality plastic clamp head and sturdy aluminum mount ensure durability and stability, while the universal ball head allows for various recording angles.

Use in accordance with its intended purpose

It is intended for indoor use only. Using the device outdoors is not permitted. For safety and certification reasons, the device must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged. Additionally, improper use may pose hazards. Carefully read the user manual and keep it for future reference.

### Safety guidelines for usage

It is necessary to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. The product should be handled with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, please consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: [hurt@innpro.pl](mailto:hurt@innpro.pl), website: <https://innpro.pl/>) or another specialist.
