Puluz Headband with Action Camera Mount

Description

This headband offers immersive first-person perspective recording during low-resistance activities, such as hiking, cycling, or cooking.

The breathable and skin-friendly headband and upper strap provide comfort and stability thanks to the non-slip design, ensuring safe and stable recording. The quick magnetic release allows for easy attachment and swapping of the action camera, and the adjustable straps adapt to various head and helmet sizes. The mount supports recording from multiple angles, including horizontal and vertical recording at a 90-degree angle and overhead recording at a 180-degree angle, making it ideal for versatile and stable recording.

Intended Use

It is intended for indoor use only. Outdoor use is not permitted. It is imperative to avoid contact with moisture, e.g., in the bathroom, etc. For safety and certification reasons, the device must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged. Additionally, improper use may pose hazards.

Please read the user manual carefully and keep it for future reference.
