Backpack Mount PULUZ for Sports Cameras

Description

We present to you the backpack mount designed for easy and versatile filming. This mount, which is compatible with GoPro, DJI OSMO, Insta360, and other action cameras (note: GoPro works directly; adapters for other devices are sold separately), offers attachment within 1 second thanks to a strong magnet for quick and precise mounting. It is equipped with a reinforced spring mechanism for easy attachment and hands-free use, and also offers magnetic bottom suction for more creative shots. Whether you attach it to a backpack, table, door, window, or railing, this mount provides versatile use and allows you to capture moments from any perspective.

Intended Use

It is intended for indoor use only. Outdoor use is not permitted. It is essential to avoid contact with moisture, e.g., in bathrooms, etc. For safety and certification reasons, the device must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged. Additionally, improper use may pose a hazard. Please read the user manual carefully and keep it for future reference.
