

PULUZ magnetic phone holder for Insta360 Flow gimbal

Puluz · EAN 5906168439476

Machine translation from Čeština. In case of doubt the manufacturer's original document prevails.

User Manual Puluz

Magnetic Phone Holder PULUZ for Insta360 Flow

Description

Introducing the magnetic holder for Insta360 Flow: It is made from durable aluminum alloy and provides your device with exceptional strength and durability. The strong magnetic port is ideal for iPhone models 12/13/14/15 and allows for easy attachment over the phone or Magsafe case. For other phone models, simply use the included magnetic ring. With its lightweight and compact design, it is the perfect travel companion for hassle-free recording on the go.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged.

Additionally, improper use may pose a hazard. Please read the user manual carefully and keep it for future reference.

Safety Instructions for Use

Read and follow the safety instructions provided in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Do not expose the product to mechanical stress.
3. If safe operation is no longer possible (the product is damaged, not functioning properly), stop using the product and secure it before further use.
4. Handle the product with care. Shocks, impacts, or falls may damage the product.
5. If you have any doubts about handling, safety, or connecting the product, consult a qualified professional.
6. For questions not answered in this manual, please contact our customer service (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another expert.
