User Manual

Puluz Telescopic Tripod, 2m

Description

The Puluz PU752B tripod can be used in conjunction with various devices—from smartphones to action cameras. Made from a durable aluminum alloy with nylon components, it ensures longevity and stability. With 8-stage length adjustment, you can customize it to your needs. When folded, it takes up little space, allowing you to take it with you almost anywhere it is needed.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
