User Manual

PULUZ Silicone Protective Case with Lens Cover for Insta360 X5

Description

The PULUZ silicone protective case is an essential accessory for every owner of the Insta360 X5 camera. It provides comprehensive protection for your device against mechanical damage, protects the lenses with a dedicated cover, and simultaneously guarantees convenient access to the most important ports and functions. Made from high-quality flexible silicone, the case is characterized by shock resistance, scratch resistance, and impact resistance. The precisely fitted shape, pleasant-to-touch surface, and easy installation make using the camera even more comfortable and safe.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is important to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another

specialist.
