## User Manual

### Metal Protective Housing with Lens Cover PULUZ for Insta360 X5

#### Description

The PULUZ metal protective housing has been designed for owners of the Insta360 X5 camera, who expect not only excellent protection and elegant design but also professional functionality. The magnetic base ensures a stable connection with the selfie stick, eliminating vibrations and improving shot quality. The sandblasted surface with a matte finish not only looks aesthetically pleasing but also prevents fingerprints. The durable aluminum alloy construction protects the camera from shocks and falls, while the slim, fitted shape with precise cutouts allows easy access to all ports and buttons of the device. Two cold shoe mounts enable the attachment of accessories without the risk of appearing in the 360° frame. The housing is compatible with a wide range of mounts, tripods, and attachments, making it a versatile solution for recording in any conditions.

#### Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.
