Silicone Stand PULUZ for Insta360 X5 Camera

Description

If you own an Insta360 X5 camera and are looking for maximum protection for your device, this silicone stand is just for you! The accessory provides a safe and convenient place for storage and recording from a desk level. Moreover, the stand protects both the lens and the device's casing from scratches, and its thoughtful design prevents the camera from tipping over. Made from high-quality silicone, it is soft to the touch, device-friendly, and easy to maintain. Thanks to the use of a nano-suction cup, it can be freely repositioned without losing adhesion even after multiple washes.
