User Manual

Phone Holder PULUZ PU3224B

Description

PULUZ PU3224B is a compact, foldable magnetic holder that is perfect for use in the office, at home, or while traveling. With strong magnets on both sides and full compatibility with MagSafe, it ensures stable smartphone mounting without the risk of slipping. The ability to adjust the angle and height, along with quick switching between vertical and horizontal modes, makes the accessory ideal for watching movies, video calls, and content recording.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is important to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not subject the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
