User Manual

Phone Holder for Camera PULUZ PU3221H

Description

PULUZ PU3221H is a compact magnetic holder that allows for quick and stable mounting of a MagSafe-compatible smartphone (Magnetic Safety, magnetic mounting system) to a camera, rig, or tripod. Ideal for recording shots from multiple perspectives, previewing images, or capturing video materials. The foldable design makes it extremely handy and easy to transport.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions included in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not subject the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: https://innpro.pl/) or another specialist.
