

# Προστατευτικό κλουβί PULUZ DJI Osmo 360 (μαύρο)

Puluz · EAN 5907085529158

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

## User Manual

### Protective Cage PULUZ DJI Osmo 360

#### Description

The Puluz protective cage has been designed for users of the DJI Osmo 360 who expect the highest level of safety and convenience. Made from a lightweight yet durable aluminum alloy, it provides solid protection for the camera against mechanical damage while not restricting access to its functions. The package also includes a silicone lens cover.

#### Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not subject the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: [hurt@innpro.pl](mailto:hurt@innpro.pl), website: <https://innpro.pl/>) or another specialist.
