

Προστατευτικό κάλυμμα φακού PC PULUZ για DJI Osmo 360

Puluz · EAN 5907085529165

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Protective Cover for PC Lens PULUZ for DJI Osmo 360

Description

The Puluz protective cover has been designed with the full safety of the DJI Osmo 360 camera lenses in mind. It protects them from water, dust, greasy stains, as well as impacts and scratches. This allows you to record without worries – even in demanding terrain conditions.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is important to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), stop using it and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
