

Μαγνητική μεταλλική βάση PULUZ DJI Osmo (μαύρο)

Puluz · EAN 5907085529189

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Magnetic Metal Stand PULUZ DJI Osmo

Description

The Puluz magnetic stand is a reliable accessory for users of cameras from the DJI Osmo Action and DJI Osmo 360 series. Thanks to its strong magnets, it is very easy to install and remove, while providing the necessary stability for the devices. With it, you can easily attach additional elements and gain more recording possibilities!

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is important to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
