

Θήκη μεταφοράς PULUZ DJI Mini / Osmo Pocket (μαύρο)

Puluz · EAN 5907085529219

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Transport Case PULUZ DJI Mini / Osmo Pocket

Description

The Puluz transport bag has been designed for the safe and convenient transport of drones, cameras, and accessories. Thanks to its durable materials and thoughtful construction, it provides reliable protection for everyday use and travel. It also offers practical compartments that help maintain order.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is important to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
