User Manual

Puluz 53 Accessory Set for Sports Cameras PKT16

Description

The Puluz brand is a manufacturer of universal accessories for sports cameras. The accessories are compatible with cameras equipped with GoPro-type mounts - including DJI Osmo Action. The mounts are made of high-quality materials ensuring stability and resistance to damage. The set includes a collection of essential accessories, allowing the use of all elements simultaneously without the need to purchase additional mounts. The set will find its application during winter sports, water sports, cycling, and standard recordings.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged.

Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is important to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not expose the product to mechanical stress.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another

specialist.
