User Manual

Puluz Cap with Sports Camera Mount (DJI, GoPro, Insta360)

Description

The Puluz brand is a manufacturer of universal accessories for sports cameras. The accessories are compatible with cameras equipped with GoPro mounts - including the DJI Osmo Action. The products are made from high-quality materials ensuring stability and resistance to damage. The black cap features a stable mount and is very lightweight, making it comfortable for the user to wear. It is useful in situations where hands cannot be used for recording, such as during golf or climbing. It has an adjustable size and is made from high-quality material, so even after several washes, it will retain its color.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is important to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
