User manual

Puluz waterproof camera backpack PU5011B

Description

The Puluz professional backpack is a useful accessory that is perfect for transporting various types of photographic accessories and cameras. It is made from high-quality materials, ensuring that carrying it even during long trips will not cause any problems for the user. The specially designed interior with adjustable compartments reliably protects the equipment from damage, and moreover, you can easily customize it to your needs. The set also includes a waterproof rain cover.

Intended use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please

contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
