

Microphone Jack Puluz PU425 1.5m USB-C / Type-C

Puluz · EAN 5907489603362

Machine translation from Polski. In case of doubt the manufacturer's original manual prevails.

User Manual

Puluz Clip-on Jack Microphone PU425 1.5m USB-C

Description

The Puluz Jack Lavalier microphone is a product that will perform well in many situations. The quality and size of the microphone make it ideal for journalism, conducting online lessons, recording vlogs, or during streaming. The microphone can easily be clipped onto a shirt, dress, or other clothing item. The technology used in the microphone ensures high-quality recorded sound.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is important to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
