
Ring LED lamp Puluz with adjustable base PU391

Puluz · EAN 5907489603843

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User manual

Puluz

Puluz LED Ring Light with Adjustable Stand PU391

Description

The ring is made of 40 LEDs, which perfectly distributes light and has a high color rendering index. It works fantastically when we need to brighten faces in our photos or during daily makeup application.

Safety instructions for use

It is essential to read and follow the safety instructions contained in this manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.

Address: 8/F, No.614 Building, Bagua 1st Road, Futian District, Shenzhen

ENVIRONMENTAL PROTECTION

Waste electrical and electronic equipment marked in accordance with the European Union directive must not be disposed of together with other municipal waste. It is subject to selective collection and recycling at designated points. By ensuring its proper disposal, you prevent potential negative consequences for the natural environment and human health. The system for collecting waste equipment complies with local environmental protection regulations regarding waste disposal. Detailed information on this matter can be obtained from the municipal office, waste management facility, or the store where the product was purchased.

The product meets the requirements of the so-called New Approach directives of the European Union (EU) concerning safety, health protection, and environmental protection, which identify hazards that should be detected and eliminated.
