User Manual

Puluz Clip Mount for Sports Cameras PU179

Description

The mount allows for the installation of sports cameras such as GoPro or Osmo Action. It is equipped with a strong clasp that securely holds onto objects and can be tightened onto items no thicker than 6 cm. Its body is constructed from segments that allow for convenient adjustment, providing the ability to adapt the camera to your needs.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.
