

Floating hand grip Puluz for Action and sports cameras (including DJI Action 2, Osmo Action)

Puluz · EAN 5907489608145

Machine translation from Polski. In case of doubt the manufacturer's original manual prevails.

User Manual

Puluz Floating Handle for Sports Cameras (including DJI Action 2, Osmo Action)

Description

Equip your sports camera with the functional Puluz floating handle! Its compact and lightweight design enhances comfort during use, and the anti-sinking feature will help you avoid losing your camera while engaging in water sports. Choose the combination of quality and user comfort!

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
