Sonoff Quick Connector Set (54 pcs)

Brand: Sonoff
Description:
The Sonoff D1-2 quick connector set is a complete solution for various wire connection needs. It includes 54 connectors in different configurations, allowing for wide application in electrical installations. Made of high-quality red copper and insulated with PC material – ensuring safety and durability. The Sonoff D1-2 set is designed to work with a rated voltage of up to 250 V and a current of up to 32 A. The connectors can handle solid wires with a cross-section from 0.2 to 4 mm² (24-12AWG) and flexible wires with a cross-section from 0.2 to 2.5 mm² (24-14AWG). With the variety of quick connector types in the set, users can easily adapt them to the specific requirements of their installation. The Sonoff D1-2 quick connectors are designed for maximum simplicity and speed of installation. The lever mechanism allows for quick wire connections, significantly reducing installation time.
Specification:

Manufacturer	Sonoff
Model	D1_2
Rated voltage	250 V
Rated current	32 A
Contact material	Red copper
Insulation	PC
Solid wire	0.2-4 mm² (24-12AWG)
Flexible wire	0.2-2.5 mm² (24-14AWG)

54 **Number of pieces in the set**

Precautions:
1. The product is not a toy. Do not allow children to play with it.
2. The product should be used only for its intended purpose.
3. Do not squeeze, crush, overload, or subject the product to impact or dropping to avoid damage.
