User Manual

Sunnylife Mini Body Case for Action 6

Description

The Sunnylife Mini Body Case is designed for users of Osmo Action sports cameras who need maximum equipment protection while maintaining minimal size. The compact form, sturdy construction, and precisely fitted interior ensure that the device is safe during transport and always ready for use. The product is compatible with DJI Osmo Action 6, 5 Pro, 4, and 3 models. The package also includes a carabiner that allows you to attach the case to a backpack or bag.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
