User Manual

Sunnylife Standard Combo Bag for Action 6

Description

The Sunnylife Standard Combo Bag for cameras from the Osmo Action series allows for safe storage and transport of the device along with accessories. The hard construction, precisely designed interior, and convenient carrying form ensure that the equipment is effectively protected while remaining easily accessible during travel and everyday use. The set also includes a carabiner that allows you to attach the case to, for example, a backpack. The product is compatible with DJI Osmo Action 6, DJI Osmo Action 5 Pro, DJI Osmo Action 4, and DJI Osmo Action 3.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not subject the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another

specialist.
