User Manual

Sunnylife Hard Case for the DJI Neo 2 Fly More Combo

Description

The Sunnylife hard case for the DJI Neo 2 Fly More Combo allows you to safely transport and store the drone along with its accessories. Its large capacity, solid construction, and precisely fitted interior effectively protect the equipment from mechanical damage, moisture, and shocks during travel and outdoor use. You can also purchase an optional shoulder strap to make carrying the devices even easier.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product to prevent further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
