Sunnylife · EAN 5905156101630

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Sunnylife Sunshade for Mini 5 PRO

Description

The Sunnylife sunshade for DJI Mini 5 Pro is designed to improve the quality of shots in difficult lighting conditions. Its precise fit, lightweight construction, and quick installation make it a practical accessory for users who want greater control over their images. The product is very easy to install. Furthermore, the drone with the sunshade attached can be stored in the Sunnylife cases B086, B087, or B088 (sold separately) without the need to remove it each time.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
