User Manual

Sunnlylife Stand for Mini 5/4/3 Pro

Description

Do you want to display your DJI Mini 5 Pro, Mini 4 Pro, or Mini 3 Pro drone on your desk, shelf, or in a display case?

The Sunnlylife stand will allow you to do that! The low center of gravity design provides adequate

stability and reduces the risk of tipping over, while the precise fit to the shape of the device allows for

secure placement without the need for additional supports. Simply place the drone gently on the

stand to showcase it in an interesting way. Note: once the stand is assembled, it cannot be disassembled.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way.

Using the product for purposes other than those described may result in damage to the product. Furthermore,

improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.

6. If there are any doubts regarding operation or safety, consult a qualified professional.

7. If you have any questions that are not answered in this manual, please contact our customer service

(mail: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
