User Manual

Sunnlylife Standard Combo Bag for DJI Osmo Nano (Gray)

Description

Do you often travel with your DJI Osmo Nano camera? The Sunnlylife bag allows you to safely transport it along with the most important accessories. It features a thoughtful interior layout and a sturdy construction, effectively protecting the equipment from damage. It is also exceptionally lightweight and compact – perfect for travel. The set also includes a practical carabiner that allows you to attach the case to a backpack or bag.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), stop using it and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
