Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

GU-B046

Description

Introducing the Sunnylife GU-B046, a portable hard protective case designed specifically for the Insta360 GO Ultra camera and its key accessories. This accessory bag, weighing only 253 g and measuring 201 x 187 x 75 mm, provides an effective solution for safely storing equipment. Made from durable fabric and constructed as a shockproof hard case, it offers comprehensive protection during transport. It allows for convenient carrying of the camera along with a mini tripod, mounts, and cables in one organized place. This practical solution is ideal for mobile content creators.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is important to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product to prevent further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
