## User Manual

### AQX-25

#### Description

Sunnylife AQX-25 is a mini travel case, a hard shell designed for Osmo Nano devices. Weighing just 103 g and with compact dimensions of 125 x 109 x 72 mm, it is an ideal solution for transporting outdoor accessories. Its construction provides comprehensive protection for compatible Osmo Nano equipment, making it an indispensable part of your travel gear. The case is intended for outdoor use, effectively protecting its contents in various conditions.

#### Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please

contact our customer service office (email: [hurt@innpro.pl](mailto:hurt@innpro.pl), website: <https://innpro.pl/>) or another specialist.

#### Specification

Brand Sunnyslife

Model AQX-25

Product Type mini travel case / carrying case / hard case

Compatible Devices Osmo Nano

Materials high-strength hard plastic

Construction hard shell

Internal Layout precisely molded internal tray

Storage Capability camera + protective case, magnetic lanyard,

bidirectional magnetic adapter,
