User Manual

ON-TD111

Description

The Sunnylife ON-TD111 head strap is a dedicated accessory for OSMO NANO cameras, providing comfortable first-person perspective recording. The product weighs only 48g, resulting in minimal burden during use. The packaging dimensions are 81 x 73 x 42 mm, highlighting its compact design. The main application is recording immersive POV shots with the ability to freely adjust the camera angle. This is a practical solution for enthusiasts of dynamic recordings.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is important to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
