

Sunnylife Γυαλί ασφαλείας για Insta360 GO Ultra (2 τεμάχια)

Sunnylife · EAN 5905156105546

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

GU-BHM044

Description

The Sunnylife GU-BHM044 protective film is a specialized accessory designed for the Insta360 GO Ultra camera. Made of tempered glass with a hardness of 9H, it provides effective protection for the lens against mechanical damage. The product features 99% optical transparency, ensuring the original image quality of the camera is maintained. The package includes two pieces of film, allowing for replacement or backup protection.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
