Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

OS-G041

Description

Sunnylife OS-G041 is an integrated, one-piece lens cover designed specifically for OSMO 360, offering comprehensive protection. Made from a combination of plastic and silicone, it weighs only 4.6 g net, making it almost unnoticeable. With an improved design and a double-sided clip, the product measuring 42 x 37 mm guarantees precise protection of the lens against scratches and accidental impacts. It is a solution dedicated to users who value durability and ease of use in all conditions, providing peace of mind while using the camera. It is an excellent addition to your OSMO 360 equipment.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is important to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.

Specification

Product Name OS-G041

Brand Sunnylife

Model OS-G041
