User Manual

NE2-SN129-D

Description

Sunnylife NE2-SN129-D Butterfly Protective Case is a mini protective case designed specifically for the DJI NEO 2 drone. This practical container, weighing 124g and measuring 178 x 164 x 45mm, effectively protects your equipment from damage. The product serves as a storage accessory, combining advanced protection with an attractive design. It is a solution for safely transporting the drone and its accessories in various conditions.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is important to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
