User Manual

NE2-SN129-C

Description

Sunnylife NE2-SN129-C is a mini protective case/storage bag designed specifically for the DJI NEO 2 drone, featuring a charming butterfly style. This product weighs only 124 g net and has compact dimensions of 178 x 164 x 45 mm, making it easy to transport. The case is made of plastic, providing resistance to shocks and dust, effectively protecting your equipment. Thanks to precise molding, it guarantees a perfect fit and full functionality, even with the original gimbal and propeller cover mounted.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.

Specification

Brand Sunnylife

Model NE2-SN129
